

Since 1996, Interact's mission to create art that challenges perceptions of disability has redefined who is included in creating the artistic vocabulary. Our entourage of 100+ actors and visual artists with disabilities creates all original work, sustains rigorous professional standards, and explores ideas through the lens of the entire spectrum of disability labels. Our uncompromising vision of radical inclusion dissolves concepts of who "can" or "cannot," blending the talents and viewpoints of artists with and without disabilities, and artists from mainstream and marginalized communities. <http://www.interactcenterarts.org>
