

**Interact Theater is thrilled to announce our Fall production:
Disaster! – The Musical**

OCTOBER 8TH-9TH | PREVIEWS

OCTOBER 10TH-18TH | PERFORMANCES

Get ready for a hilarious tribute to the era of bell-bottoms, platform shoes, and disco fever! Disaster! is a musical homage to 1970s disaster films like The Poseidon Adventure and Airport 1975, packed with outrageous characters, witty dialogue, and some of the most iconic hits of the decade. Set in 1979 Manhattan on the opening night of The Barracuda—New York’s first floating casino and discothèque—the story follows a lively group of New Yorkers looking for a night of fun, gambling, and dancing. But as opening night unfolds, the guests are faced with one calamity after another. Featuring chart-topping songs from Donna Summer, Barry Manilow, Helen Reddy, Carly Simon, Diana Ross, and more, this musical will have you dancing in your seat and laughing all night.
